

MT. AIRY CHILDREN'S DENTAL ASSOCIATES

PEDIATRIC DENTISTRY AND ORTHODONTICS

Pediatric Dentistry: David M. Hasson, D.M.D., P.A., and Allison B. Green, D.D.S.
Margaret E. Barry, D.D.S. Diplomat, American Board of Pediatric Dentistry
Stuart A. Sheer, D.D.S. Diplomat, American Board of Orthodontics

WELCOME to Mt. Airy Children's Dental Associates. Our Mission is to provide excellence in dental care and to always treat you and your child as we would treat our own children and families. Our Philosophy for pediatric oral care is traditional, centered on the belief that good oral health is part of a child's total health. We are a unique pediatric-orthodontic specialty practice with orthodontics being an essential part of exceptional pediatric dental care. We especially welcome patients with special needs of any age and their families.

We are Your Child's Dental Home at Baby's First Visit

The first dental visit for your child should occur by their first birthday. This is a pediatric dental well-baby exam. Please tell your family and friends about this program which provides a complimentary visit up to the age of 18 months. From the first dental visit we are your child's dental home with continuous, family centered assistance and support for their oral health care needs.

Pediatric Dentistry

Dr. David M. Hasson founded the practice in Mt. Airy in 1987. A graduate of UMBC, he received his Doctor of Dental Medicine degree from the University of Kentucky College of Dentistry and certification in the Specialty of Pediatric Dentistry from the University of Connecticut School of Dental Medicine. Dr. Dave has volunteered for dental missions for children in Ecuador, South America and Moscow, Russia. He is a former president of the Maryland Academy of Pediatric Dentistry and currently is liaison to the American Academy of Pediatrics. Dr. Dave is the Maryland State Leader for the AAPD Head Start Dental Home Project. He lives in Woodbine with his wife Pam and children, Cole and Elizabeth.

Dr. Margaret Barry is a graduate of the University of Maryland College Park. After receiving her DDS from Case Western Reserve University School of Dentistry of Cleveland, she completed a general practice residency at the University of Maryland Medical Center in Baltimore. She received her certification in the Specialty of Pediatric Dentistry from Rainbow Babies and Children's Hospital. She is a Board Certified Specialist in Pediatric Dentistry. Dr. Maggie lives in Ellicott City with her husband Bram and children, Jack and Annie.

Dr. Allison Green completed her residency in pediatric dentistry at Children's National Medical Center in Washington, DC. A native of North Carolina, Dr. Green received her Bachelor of Arts degree in Biological Sciences from University of North Carolina – Asheville, and her Doctor of Dental Surgery from the University of Maryland Dental School – Baltimore College of Dental Surgery. Dr. Allison enjoys volleyball and running, and recently completed her first half marathon. Dr. Allison resides in Ellicott City.

Orthodontics for Children and Adults

Dr. Stuart Sheer is a Board Certified Specialist in Orthodontics. Dr. Sheer is a graduate of the University of Maryland College Park and received his DDS from the University of Maryland – Baltimore College of Dental Surgery. He earned his certificate in the Specialty of Orthodontics from Columbia University in New York. He has traveled and lectured widely abroad and volunteered his expert care for children and adults with cleft lip and palate abnormalities from the Andes Mountains to the Himalayas. Dr. Sheer resides in Baltimore County.

Welcome to our practice. Our doctors and enthusiastic staff are committed to provide you and your child expert pediatric dental and orthodontic care. It is our hope that we exceed your expectations. Thank you for allowing us to care for your child, and thank you for referring family and friends. We appreciate sincerely this expression of trust and confidence.
