David M. Hasson, D.M.D., P.A. Specialist in Pediatric Dentistry
Margaret E. Barry, D.D.S. Diplomate, American Board of Pediatric Dentistry
Allison B. Green, D.D.S. Diplomate, American Board of Pediatric Dentistry
Stuart A. Sheer, D.D.S. Diplomate, American Board of Orthodontics

Welcome to Mt. Airy Children's Dental Associates. Our Mission is to provide excellence in dental care and to always treat you and your child as we would treat our own children and families. Our Philosophy for pediatric oral care is traditional, centered on the belief that good oral health is part of a child's total health. We are a unique pediatric-orthodontic specialty practice with orthodontics being an essential part of exceptional pediatric dental care. We especially welcome patients with special needs of any age and their families.

We are Your Child's Dental Home at Baby's First Visit

The first dental visit for your child should occur by their first birthday. This is a pediatric dental well-baby exam which provides a complimentary visit up to the age of 18 months. From the first dental visit we are your child's dental home with continuous, family centered assistance and support for their oral health care needs.

Pediatric Dentistry

Dr. David M. Hasson founded the practice in Mt. Airy in 1987. A graduate of the UMBC, he received his Doctor of Dental Medicine degree from the University of Kentucky College of Dentistry and certification in the Specialty of Pediatric Dentistry from the University of Connecticut School of Dental Medicine. He volunteered for dental missions for children in Ecuador, South America and Moscow, Russia. He is a former president of both the Maryland Society of Dentistry for Children and the Maryland Academy of Pediatric Dentistry and currently the liaison to the American Academy of Pediatrics. Dr. Dave directs the Frederick County Dental Society Give Kids A Smile Program and is the Maryland State Advisory Leader for the American Academy of Pediatric Dentistry Head Start Dental Home Project. In 2011 Dr. Dave was nominated into the American College of Dentists, the oldest national honorary organization for dentists. Fewer than 3.5% of all dentists are elected into the college. An avid beekeeper, photographer and fan of the Beatles, he lives in Woodbine with his wife Pam and children, Cole and Elizabeth, yellow Labrador Derby, several cats and about 150,000 honeybees depending on the time of the year.

Dr. Margaret E. Barry is a graduate of the University of Maryland at College Park. After receiving her Doctor of Dental Surgery degree from Case Western Reserve University School of Dentistry in Cleveland, she completed a general practice residency at the University of Maryland Medical Center in Baltimore. Dr. Maggie received her certification in the Specialty of Pediatric Dentistry from Rainbow Babies and Children's Hospital in Cleveland in 2005 and became a Diplomate of the American Board of Pediatric Dentistry in September of 2006. She is an active member of the American Academy of Pediatric Dentistry and Maryland Academy of Pediatric Dentistry. Dr. Maggie lives in Ellicott City with her husband Bram, and two young children, Jack and Annabel.

Dr. Allison Green joined our practice after completing her residency in Pediatric Dentistry at Children's National Medical Center in Washington, DC. Originally from Chapel Hill, North Carolina, she received her BA degree in Biological Sciences from the University of North Carolina-Asheville, and her Doctor of Dental Surgery degree from the University of Maryland-Baltimore College of Dental Surgery. Dr. Allison became a Diplomate of the American Board of Pediatric Dentistry in 2010. A resident of Baltimore and an avid Ravens fan, she enjoys exploring the area with her husband Tom, trying out new restaurants, and taking her dogs, Camden and Cooper for walks in the park.

Orthodontics for Children and Adults

Dr. Stuart A. Sheer has practiced orthodontics for children and adults for over twenty years. A native of Baltimore, Maryland, he received his training at Columbia University in New York City. He is a Board Certified Specialist in Orthodontics and Dentofacial Orthopedics. His Doctor of Dental Surgery degree was received from the University of Maryland Baltimore College of Dental Surgery. He is a member of the American Association of Orthodontists and Mid-Atlantic Society of Orthodontists. He is currently the Program Director for Health Volunteers Overseas in Cambodia and is a member Operation Smile. He has been a participating volunteer for efforts in the Philippines, China, Bhutan, Venezuela, Nicaragua and Tanzania. Dr. Sheer enjoys sports, art and music, and his time at the unique Chautauqua Institution in upstate New York.

Our doctors and enthusiastic staff are committed to provide you and your child expert pediatric dental and orthodontic care. It is our hope that we exceed your expectations. Thank you for allowing us to care for your child, and thank you for referring family and friends. We appreciate sincerely this expression of trust and confidence.

David M. Hasson, D.M.D., P.A.
